## **ABC/LONG BEACH POLICE CITE “FANTASY RANCH” FOR VIOLATIONS**

**Long Beach**— Investigators from the California Department of Alcoholic Beverage Control (ABC) have cited the Fantasy Ranch, 2688 South Street in Long Beach for multiple alcohol law violations. The ABC is taking administrative action against the business because of illegal drink solicitations and violations of adult entertainment laws. Department investigators also arrested one premises entertainer for prostitution.

“Bars and nightclubs that allow this illegal activity have a higher incidence of public drunkenness, fights, shootings, stabbings, illegal drugs and other criminal activity”, said ABC Director Jerry Jolly. “ We are hoping that our enforcement will help reduce crime in this community.”

The ABC completed a one month investigation that comes on the heels of a Long Beach Police investigation that found similar violations. ABC will be filing an administrative action against the premises based upon both investigation. “We are sending a message that this type of illegal activity isn’t tolerated,” Jolly said.
